SMART CITIES

Directory 2017

Contents

The Indian Infrastructure Smart Cities Directory will be the most comprehensive and up-to-date directory on the smart cities segment in India.

The directory will provide key up-to-date information on all relevant government agencies and industry bodies – their areas of responsibility, key office bearers, contact details, etc. It will also provide latest information on business and technology firms – their areas of business, key products and solutions, key operations, top managers, contact details, etc.

The information will be classified into distinct sections such as:

- ❖ Key Government Agencies (Central and State)
- ❖ Urban Local Bodies and Municipal Authorities
- ❖ Smart City Developers (Public/Private)
- ❖ Urban Service Providers and Utilities (Transportation, Water, Gas, Power, etc.)
- ❖ Disaster Management Agencies
- ❖ Urban Planners and Consultants
- ❖ Smart Technology and Infrastructure (IT Hardware, Communication Network and Devices, Cloud Services, Data Storage, GIS/Mapping, Computer Aided Planning, Information Management System, etc.)
- ❖ Smart Energy (Distribution Automation/ Management System, Smart Meters and AMI, Microgrid Management, Communication Solutions, etc.)
- ❖ Smart Transportation (Traffic Management System, Passenger Information System, Ticketing and Fare Collection, Parking Management System, Video Surveillance, etc.)
- ❖ Smart Water (SCADA, Smart Meters, Sensors, etc.) and Waste Management (GPS-based Vehicle Tracking, RFID Tags, Smart Bins, Mechanical Separation, etc.)
- ❖ Smart Safety and Security (Surveillance Systems, Critical Infrastructure Protection, Disaster/Emergency Management, etc.)
- ❖ Smart Buildings (Security, Lighting Control, HVAC, Car Park Management System, Energy Management, Fire Security and Emergency Response, etc.)
- ❖ Smart Governance (Bills and Payments, E-procurement, Accounting System, etc.)

Circulation and Readership

In addition to the paid subscriptions, the directory will be mailed to the top decision makers and influencers at relevant central and state government ministries and bodies, urban local bodies, smart city developers, urban service providers and utilities etc.

A special effort will be made to market the directory to urban planners and consultants, design and engineering firms, smart city integrators, leading smart technology and infrastructure providers, smart energy providers, smart transportation providers, smart safety and security providers, smart water and waste management companies, smart building solution providers, smart city planning solution providers, etc.

Advertising Rates

The key ad rates are as follows:

Ad position	Rate (Rs)	Rate (USD)
Full page	1,10,000	2,640
Right-side page	1,21,000	2,904
Back cover	2,20,000	5,280
Inside front/back covers	1,65,000	3,960
Double spread	1,98,000	4,752
Special positions (First 25 pages)	1,32,000	3,168
Full page plus bookmark (2 positions)	1,65,000	3,960

(18 per cent GST as applicable will be levied on the above mentioned rates)

The positions will be offered on a first come, first served basis.

Company Showcase

This section will feature two-page write-ups (carrying profile, interview, technology or product information) on the sponsor as per the attached format. This would cost Rs. 2, 50,000.
