

# E-waste in India: Sector and Market Outlook

*This report is published by **India Infrastructure Research**, a division of India Infrastructure Publishing Private Limited, a company dedicated to providing information on the infrastructure sectors through magazines, conferences, newsletters and research reports. We publish tele.net, Renewable Watch, Gujarat Infrastructure, Smart Utilities, Power Line and Indian Infrastructure magazines.*

*We publish more than two dozen sector/industry research reports every year. Our reports are acknowledged as high-quality, user-friendly, up-to-date, accurate and comprehensive sources of information. Our clients include multinationals, top Indian corporates, commercial and investment banks, consulting companies, public sector companies, government agencies, multilateral agencies and legal firms.*

# Introduction to the Report

The demand for electronic and electrical equipment is rapidly increasing owing to the changing lifestyles, higher incomes at disposal and technological obsolescence. With this electronic waste generated by such products is rising and is expected to witness multi-fold increase in coming years. With the majority of e-waste collected and handled by the unorganised sector, huge potential for organised and efficient management and recycling of e-waste across the country.

This report “E-waste in India 2012” provides comprehensive market assessment of business opportunity for e-waste management and its outlook. It highlights the generation, collection and disposal trends and provide an in-depth analysis of current e-waste generation by source, growth rates, processing, treatment, recycling and recovery capacity in the country along with market size for each segment.

Market size in terms of volume of e-waste generated, cost of treatment and revenues generated through recycling has been covered in the report. Extensive data and statistics regarding e-waste generation and projections up to 2016-17 is available. The report also throw light on the future capacity requirements and the potential of reuse and recycling of e-waste. The report also examines global scenario in terms of generation and disposal of e-waste.

The report discusses the role of various players involved in the sector. It includes profiles' of key players along with their future plans and investments for e-waste. The report also highlights the impact of e-waste rules on the sector and how the local bodies and private players are gearing up to comply with the regulatory requirement.

The report is priced at Rs 60,000 (pdf copy) and has 100 pages. In addition, there also a PowerPoint version for presentation purposes. A hard copy of the report is available on request.

# Table of Contents

<b>1. Executive Summary</b> .....	6.5 Current Practices - Recycling, Recovery, Disposal
<b>2. Market Overview</b> .....	6.6 Trends of Recovered Materials
2.1 Major E-Waste Products	6.7 Outlook and Projections till 2016-17
2.2 E-Waste Market Size	<b>7. E-waste Imports</b> .....
2.3 Collection, Disposal, and Recycling Trends	7.1 Size and Composition
2.4 Geographical Distribution - Generation and Recycling Capacity	7.2 Rationale for Imports
2.5 Key Developments	7.3 Import Channelisation
2.6 Global Trends	7.4 Regulations
2.7 Cost and Revenue Analysis	7.5 Conclusion
2.8 Conclusion	<b>8. Key Players</b> .....
<b>3. E-waste Rules</b> .....	8.1 A2Z Dataserv Limited
3.1 Salient Features	8.2 Ash Recyclers
3.2 Impact on the Industry	8.3 Attero Recycling Private Limited
3.3 Issues and Challenges	8.4 Earth Sense Recycle Private Limited
3.4 Conclusion	8.5 Eco Recycling Limited
<b>4. Consumer Electronics and Electrical Equipment</b> .....	8.6 E-Parisaraa Private Limited
4.1 CEE Market Size and Composition	8.7 Electronic & Electrical Waste Recycling, Dismantling & Disposal Company
4.2 E-Waste Generation	8.8 Global E-Waste Management and Services
4.3 Key Segments	8.9 Greenscape Eco Management Private Limited
4.4 Key Players	8.10 Hi-Tech Recycling India Private Limited
4.5 Current Practices - Recycling, Recovery, Disposal	8.11 UL Trust Solutions India Private Limited
4.6 Trends of Recovered Materials	8.12 TES-AMM Recycler India Private Limited
4.7 Outlook and Projections till 2016-17	8.13 Ramky Enviro Engineers Limited
<b>5. Telecommunication Equipment</b> .....	8.14 Sims Recycling Solutions
5.1 Telecommunication Market Size and Composition	8.15 Eco Raksha
5.2 E-Waste Generation	8.16 INAA Enterprises
5.3 Key Segments	8.17 E-R3 Solutions Private Limited
5.4 Key Players	8.18 Other players
5.5 Current Practices - Recycling, Recovery, Disposal	<b>9. Market Outlook and Projections</b> .....
5.6 Trends of Recovered Materials	9.1 E-Waste Generation and Projections
5.7 Outlook and Projections till 2016-17	9.2 Capacity Needs up to 2016-17
<b>6. Information Technology Equipment</b> .....	9.3 Recovery/Reuse Potential
6.1 IT Market Size and Composition	9.4 Conclusion
6.2 E-Waste Generation	<b>10. Appendix</b> .....
6.3 Key Segments	
6.4 Key Players	

Release Date: August 08, 2012 No. of pages: 100

# List of Table and Figures

## List of Tables

E-waste Products and Replacement Rate  
Comparative Estimates of E-waste Generation in India  
Recycling Units of Key E-waste Recyclers  
Regulatory E-waste Legislation in Select Economies  
Responsibilities of Various Stakeholders under the E-waste (Management and Handling) Rules, 2011  
List of Players Covered in the Key Profiles Chapter  
Recycling Facilities of Ash Recyclers  
Recycling Facilities of Earth Sense  
Recycling Facilities of Global e-Waste Management and Services  
Recycling Facilities of Sims Recycling Solutions

## List of Figures

Segment-wise Share in E-waste (%)  
State-wise Generation of E-waste (%)  
City-wise Generation of E-waste (%) (%)  
State-wise Recycling Capacity in the Formal Sector (%)  
Television Sales during 2008-12 (million units)  
Refrigerator and Washing Machine Sales during 2008-12  
E-waste Generation by CEE during 2009-11 (tonnes)  
E-waste Generation by different CEE Equipment during 2009-11  
E-waste Contribution by Different Segments (2011-12)  
Market Share of Major Players in Television Segment 2011 (%)  
Market Share of Major Players in Other CEE Segments 2011 (%)  
Consumers' Considerations when Disposing of used Electronic Products  
Share of Materials Recovered from CEE Products (%)  
Share of Materials Recovered from Televisions (%)  
Share of Materials Recovered from Refrigerators (%)  
Share of Materials Recovered from Washing Machines (%)  
Potential E-waste Generation from CEE equipment (2012-16)

Projected e-waste generation from different segments by 2016-17  
Growth in Telecom Subscribers (2007-2012) (million)  
E-waste Generation from Mobile Handsets (tonnes)  
Market Share of Major Players in Telecom Equipment (%)  
Share of Materials Recovered from Mobile Handsets (%)  
Expected E-waste Generation from Mobile Handsets by 2016-17  
Sales of IT Equipment during 2007-12 (million units)  
E-waste Generation from IT Equipment (tonnes)  
Contribution to E-waste by Different Equipment (%)  
Market Share of Major Players in IT Products (Jan-March 2012)  
Share of Materials Recovered from Computers (%)  
Expected E-waste Generation from IT Equipment by 2016-17  
Regions exporting e-waste to India  
Revenue and Net Profit of A2Z Group (Rs million)  
Revenue and Net Profit of Earth Sense (Rs million)  
Revenue and Net Profit of Eco Recycling (Rs million)  
Revenue of E-Parisaraa (Rs million)  
Revenue and Net Profit of UL Trust Solutions (Rs million)  
Revenue and Net Profit of REEL (Rs million)  
Projected E-waste Generation during 2012-16 (tonnes)  
Estimated Increase in Market Value of Extractable Material  
Share of metals recovered in e-waste by 2016-17 (%)

# Order Form

I would like to purchase:

	Price	Service tax (12.36%)	Total
<b>E-waste in India: Sector and Market Outlook 2012 package (PDF + PowerPoint)</b>	<b>Rs 60,000</b>	<b>Rs 7,416</b>	<input type="checkbox"/> <b>Rs 67,416</b>

I am enclosing a cheque/demand draft for Rs. \_\_\_\_\_ vide cheque/demand draft no. \_\_\_\_\_ drawn on \_\_\_\_\_ dated \_\_\_\_\_ in favour of "India Infrastructure Publishing Pvt. Ltd."

Signature
