Investment and Market Opportunities in Southeast Asian Infrastructure

A joint effort of India Infrastructure Research and SouthEast Asia Infrastructure magazine

India Infrastructure Research (www.indiainfrastructure.com) is a division of *India Infrastructure Publishing*, a company dedicated to providing information on the infrastructure sectors through magazines, conferences, newsletters and research reports. It publishes five magazines – *Indian Infrastructure*, *Renewable Watch*, *Power Line*, *tele.net* and *Gujarat Infrastructure*.

SouthEast Asia Infrastructure magazine (www.southeastasiainfra.com) is a leading source of information and analysis on infrastructure development in Southeast Asia. It tracks key developments, analyses emerging trends, features industry players' perspectives, highlights key initiatives, and profiles exemplary projects.
