Release Date: Last week of June 2014

About Us

India Infrastructure Research is a division of **India Infrastructure Publishing Private Limited**, a company dedicated to providing information on infrastructure sectors through magazines, conferences, newsletters and research reports. It publishes five magazines – **Indian Infrastructure**, **Renewable Watch**, **Power Line**, **tele.net** and **Gujarat Infrastructure**.

India Infrastructure Research publishes research reports in the areas of power, oil & gas, ports & shipping, roads & bridges, telecommunications, aviation, and water. Our reports are acknowledged as high-quality, user-friendly, up-to-date, accurate and comprehensive sources of information.

Our clients include most organisations involved in the infrastructure sectors – multinationals, top Indian corporates, commercial and investment banks, consulting companies, public sector companies, government agencies, multilateral agencies, and legal firms.
