TUNNELLING IN INDIA

Sector Trends, Outlook and Projections (2016-24)

- ❖ Research Report
- ❖ Project Database (Excel)

Table of Contents

SECTION I: SECTOR OVERVIEW AND OUTLOOK

1. Overview

- ❖ Size and Growth
 - Tunnel market size and growth
 - Sector-wise tunnel market size
 - State-wise spread of tunnels
 - Key tunnelling methods and techniques
- ❖ Recent Developments
- ❖ Key Trends
- ❖ Growth Drivers
- ❖ Issues, Risks and Challenges
- ❖ Outlook, Opportunities and Projections
 - Project pipeline
 - Key upcoming projects
 - Market opportunities
 - Sector outlook and projections

2. Project Pipeline

- ❖ Summary of Key Projects in Pipeline
- ❖ By Sector
 - Metro rail
 - Railways
 - Hydro
 - Roads and highways
 - Irrigation, water and sewerage
- ❖ By Stage of Development (*under construction, awarded and planned*)
- ❖ By State and Region
- ❖ By Completion Period (*till 2020-21, between 2020-21 and 2023-24*)

3. Tunnelling Methods and Techniques

- ❖ Most Prominent Tunnelling Methods/Techniques
- ❖ Current Status
- ❖ Trends and Developments
 - Mechanised versus non-mechanised tunnelling
 - Cost comparison of mechanised and non-mechanised tunnelling
 - Sector-wise preference for tunnelling method
 - Analysis of completed projects
 - Analysis of ongoing projects
 - Emergence of micro-tunnelling
- ❖ Issues and Challenges
- ❖ Conclusion

4. Equipment and Technology Market Size and Outlook

- ❖ Size and Growth
 - Overall market size and structure
 - Drill and blast equipment market size and structure
 - TBM market size and structure

- ❖ Import of Equipment
- ❖ Key Equipment Providers
 - TBM market share
 - Key services by TBM providers
 - Other equipment suppliers
- ❖ Key Trends and Developments
- ❖ Issues and Challenges
- ❖ Segment Outlook and Opportunities

5. Construction Materials

- ❖ Key Material Requirements for Tunnel Construction
- ❖ Type of Materials Used in Different Geological Conditions
- ❖ Size and Growth
- ❖ New Materials and Innovation
- ❖ Segment Outlook and Projections
- ❖ Issues and Challenges

6. Key Contractors

- ❖ Size and Growth
- ❖ Leading Players and Key Projects
- ❖ Recent Contracts
- ❖ Ongoing Projects
- ❖ Issues and Challenges
- ❖ Opportunities for Contractors

SECTION II - SEGMENT ANALYSIS AND PROJECTIONS (*till 2023-24*)

7. Metro Rail Tunnels

- ❖ Size and Growth
 - Length of tunnels
 - Estimated market size
 - Tunnel construction cost of selected projects
- ❖ Key Trends
- ❖ Analysis of Key Projects
 - Key completed projects
 - Key ongoing projects
- ❖ Key Contractors and Equipment Providers
- ❖ Growth Drivers
- ❖ Outlook and Projections (*till 2023-24*)
 - Analysis of upcoming projects
 - Key projects in the pipeline
 - Projects under bidding
- ❖ The Way Forward

8. Railway Tunnels

- ❖ Size and Growth
 - Number and length of tunnels
 - Estimated market size
 - Tunnel construction cost of selected projects

- ❖ Key Trends
 - State-wise trends
 - Technique-wise trends
- ❖ Key Completed Projects and Analysis
- ❖ Key Ongoing Projects and Analysis
- ❖ Key Contractors
- ❖ Recent Contracts
- ❖ Outlook and Projections (till 2020-21)
 - Growth drivers
 - Analysis of upcoming projects
 - Key railway tunnels in the pipeline
- ❖ The Way Forward

9. Tunnels in the Hydropower Sector

- ❖ Size and Growth
 - Number and length of tunnels
 - Estimated market size
- ❖ Key Trends
 - State-wise trends
 - Shape-wise trends
 - Diameter-wise trends
 - Technique-wise trends
- ❖ Key Completed Projects and Analysis
- ❖ Key Ongoing Projects and Analysis
- ❖ Key Contractors
- ❖ Key Equipment Providers
- ❖ Key Consultants
- ❖ Growth Drivers
- ❖ Outlook and Projections (*till 2023-24*)
- ❖ The Way Forward

10. Road Tunnels

- ❖ Size and Growth
 - Number and length of tunnels
 - Estimated market size
 - Tunnel construction cost of selected projects
 - Analysis by key developers
- ❖ Key Trends
 - State-wise trends
 - Technique-wise trends
 - Diameter-wise trends
- ❖ Key Completed Projects and Analysis
- ❖ Key Ongoing Projects and Analysis
- ❖ Key Contractors and Equipment Providers
- ❖ Outlook and Projections (*till 2023-24*)
 - Growth drivers
 - Upcoming projects and analysis
 - Top 10 projects in the pipeline
- ❖ The Way Forward

11. Irrigation, Water Supply and Sewage Tunnels

- ❖ Size and Growth
 - Number and length of tunnels
 - Estimated market size
 - Tunnel construction cost of selected projects
- ❖ Key Trends
 - State-wise trends
 - Shape-wise trends
 - Technique-wise trends
- ❖ Key Completed Projects and Analysis
- ❖ Key Ongoing Projects and Analysis
- ❖ Key Contractors and Equipment Providers
- ❖ Outlook and Projections (*till 2020-21*)
 - Growth drivers
 - Analysis of upcoming projects
 - Key projects in the pipeline
 - Key projects under bidding
- ❖ The Way Forward

SECTION III - DATABASE OF PROJECTS

A comprehensive excel-based database of tunnelling projects.

- ❖ Master List of Tunnel Projects
- ❖ Metro Tunnels
- ❖ Rail Tunnels
- ❖ Hydro Tunnels
- ❖ Road and Highway Tunnels
- ❖ Irrigation, Water Supply and Sewage Tunnels
- ❖ Tunnels in the Hydropower Sector
- ❖ Tunnels by Current Status
- ❖ Tunnels by State
- ❖ Tunnels by Completion Period

Each project provides information on sector, state, length, project cost, current status, developer, equipment provider, contractor, consultant, tunnelling method, shape, diameter, completion date, etc.

List of Tables and Figures

List of Tables

Recently awarded contracts in the last 12 months

Key upcoming projects - under bidding

Current railway tunnel pipeline

Top 5 states with maximum Railway tunnel construction opportunity

Current roads and highways tunnel pipeline

Top 5 states with maximum roads and highways tunnel construction opportunity

Current metro rail tunnel pipeline

Top 5 cities with maximum metro rail tunnel construction opportunity

Current hydro tunnel pipeline

Top 5 states with maximum hydro tunnel construction opportunity

Current irrigation, water supply and sewage tunnel pipeline

Top 5 states with maximum irrigation, water supply and sewage tunnel construction opportunity

Details of key tunnelling methods/techniques most commonly used in India

Sector-wise Preference for Tunnelling Method

Key micro-tunnelling projects in India

Key equipment used for tunnel construction along with their estimated cost and preferred sourcing option

Types of TBM deployed in India

TBMs deployed in various metro projects in India

Services provided by key TBM suppliers

Other equipment suppliers with their product portfolios

Change in shares of major exporting countries

Sector-wise upcoming tunnel projects and estimated equipment cost

Details of various types of materials used in tunnelling activity

Sector-wise upcoming projects and estimated construction material cost

Sector-wise key contractors

Top 10 contractors in terms of length

Contractor-wise key projects and recent contracts

Key completed metro tunnel projects (till January 2016)

Key ongoing metro tunnel projects

Key contractors and their JVs for metro tunnel projects

Details of key metro rail projects in the pipeline

Key railway tunnel projects completed (till January 2016)

Details of key railway tunnels under implementation

Recent railway tunnel contracts

Details of railway tunnels in the pipeline

Details of key hydro tunnels completed during 2013-16 (till January 2016)

Details of key hydro tunnels to be completed by March 2017

Key upcoming hydro tunnel projects - short-term opportunities

Key upcoming projects - long-term opportunities

Details of key road and highway tunnels completed during 2013-16 (till January 2016)

Details of key road and highway tunnels to be completed by March 2017

Details of key road and highway tunnels in the pipeline

Details of key water supply tunnels completed during 2013-16 (till January 2016)

Details of key irrigation, water supply and sewage tunnels under construction

Key irrigation, water supply and sewage tunnels in the pipeline

Opportunities for key stakeholders in the railway tunnel segment

Roads and highways tunnel projects timeline

Opportunities for key stakeholders in the road tunnel segment

Metro tunnel projects timeline

Opportunities for key stakeholders in the metro tunnel segment

Hydro tunnel projects timeline

Opportunities for key stakeholders in the hydro tunnel segment

Irrigation, water and sewage tunnel projects timeline

Opportunities for key stakeholders in the Irrigation, water and sewage tunnel segment

State-wise project pipeline in terms of length of tunnels

Overall project completion timelines (%)

Sector-wise timeline of the project pipeline

Prevalent tunnelling techniques in India (%) - in terms of number of tunnels and length

Share of mechanised and non-mechanised tunnelling in India

Cost composition of tunnelling methods

% share of different methods of tunnelling used in infrastructure sectors - in terms of total length

% share of mechanised and non-mechanised tunnelling methods

Sector-wise share of tunnelling methods for completed projects

Share of tunnelling methods used in completed projects

Sector-wise share of tunnelling methods for ongoing projects

Share of tunnelling methods used in ongoing projects

Size of drill and blast equipment market (no.)

Market share of key players in the drill and blast segment (%)

Sector-wise tunnels based on TBM technique

Sector share in terms of tunnel length

Project-wise share in terms of number of TBMs

Import value of tunnelling machinery and other boring machines

Market share of metro TBM manufacturers (%)

List of Figures

Market size - number of tunnels in India

Market size - length of tunnels in India

Sector-wise tunnel market size

State-wise tunnel length for completed and ongoing tunnel works

Tunnelling methods used for completed and ongoing tunnel works

Sector-wise tunnelling methods and techniques

Share of top 10 states in completed, ongoing and upcoming tunnels

Project pipeline by stage of development

Sector-wise project pipeline by stage of development (km)

Railway tunnel projects timeline

List of Tables and Figures

Project-wise TBMs supplied by major manufacturers	Key contractors involved in the construction of railway tunnels	Share of method of construction for completed projects (%)
Share of major tunnelling machinery exporting countries	State-wise key upcoming railway tunnels in terms of length (till 2020-21)	State-wise road and highway tunnels completed
Key upcoming metro projects with underground stretches (km)	Number of hydropower tunnels by stage of development	State-wise road and highway tunnels under construction in terms of length (km)
Total construction material cost for completed and ongoing tunnels (Rs billion)	Length-wise hydropower tunnels by stage of development	State-wise road and highway tunnels under construction (No.)
Sector-wise share in total construction material cost	Estimated market size of hydropower tunnels by stage of development	Tunnelling method split for road and highway tunnels under construction (%)
Sector-wise estimated market size of contractors (Rs billion)	State-wise hydropower tunnels	Key Contractors involved in the construction of road and highway tunnels in terms of length
Length-wise metro rail tunnels by stage of development (km)	Shape-wise hydropower tunnels	State-wise key upcoming road and highway tunnels (till 2023-24)
Estimated market size of metro tunnels by stage of development (Rs billion)	Diameter of hydropower tunnels (%)	Number of irrigation, water supply and sewage tunnels by stage of development
Tunnel construction costs for key metro rail projects (per km)	Share of methods of construction for hydropower tunnels (%)	Segment-wise share of number of tunnels (%)
City-wise metro rail tunnels (km)	Share of methods of construction for completed projects (%)	Length of irrigation, water supply and sewage tunnels by stage of development
Shares of methods of construction for metro rail tunnels (%)	State-wise completed hydro tunnels	Segment-wise share of length of tunnels (%)
City-wise metro rail tunnels completed (km)	State-wise ongoing hydro tunnels in terms of length	Estimated market size of irrigation, water supply and sewerage tunnels by stage of development (Rs billion)
City-wise metro rail tunnels under construction (km)	State-wise number of ongoing hydro tunnels	Tunnel construction cost for select irrigation, water supply and sewerage projects (per km)
Key contractors involved in the construction of metro rail tunnels	Tunnelling technique split for ongoing hydropower tunnels (%)	State-wise irrigation, urban water and sewerage tunnels
Key equipment providers involved in the construction of metro rail tunnels	Key contractors involved in the construction of hydro tunnels	Shape of irrigation, urban water supply and sewerage tunnels (%)
City-wise key upcoming metro rail tunnels (till 2023-24) in terms of length	Key equipment suppliers for hydro tunnel projects	Share of method of construction for irrigation, water supply and sewerage tunnels (%)
Number of railway tunnels by stage of development	Key consultants for hydro tunnel projects	State-wise completed irrigation, water supply and sewerage tunnels
Length-wise railway tunnels by stage of development	State-wise key upcoming hydropower tunnels (till 2023-24)	Share of methods used in constructing ongoing tunnels
Estimated market size of railway tunnels by stage of development (Rs billion)	Number of road and highway tunnels by stage of development	Sector-wise key irrigation, water supply and sewerage tunnels under construction
State-wise railway tunnels	Length-wise road and highway tunnels by stage of development	Key contractors involved in the construction of irrigation, water supply and sewerage tunnels
Share of method of construction for railway tunnels (%)	Estimated market size of road and highway tunnels by stage of development (Rs billion)	Sector-wise key upcoming irrigation, water supply and sewerage tunnels (till 2020-21)
State-wise railway tunnels completed	Tunnel construction costs for key road and highway projects (per km)	State-wise key upcoming irrigation, water supply and sewerage tunnels
Tunneling method split for completed railway tunnels (%)	Share of developers according to number of tunnels (%)	
State-wise no. of railway tunnels under construction	Share of developers according to length of tunnels (%)	
Tunnelling method split for ongoing railway tunnels (%)	State-wise road and highway tunnels	
	Share of method of construction for road and highway tunnels (%)	
	Diameter of road and highway tunnels (%)	

I would like to purchase “**Tunnelling in India: Sector Trends, Outlook and Projections (2016-24)**” report:

Report	Price	GST (18%)	Total
Format (PDF)	Rs 1,00,000	Rs 18,000	<input type="checkbox"/> Rs 118,000

I am enclosing a cheque/demand draft for Rs _____, vide cheque/demand draft no. _____ drawn on _____ dated _____ in favour of “**India Infrastructure Publishing Pvt. Ltd.**”
