

DATA CENTRE MARKET IN INDIA 2026

Now Available

Table of Contents

Release Date: March 31, 2026 | No. of slides:128

India's data centre (DC) market is on a high growth trajectory, driven by several factors. The country's total DC capacity stands between 1.5-1.8 GW and is projected to reach approximately 7.5-7.8 GW by 2032. In addition, about 7 GW of capacity is in the committed and early-stage development pipeline, expected to go live after 2032. Factors like digitalisation of enterprises, higher uptake of cloud computing, penetration of 5G, and massive growth in AI and IoT adoption are driving the demand.

The Data Centre Market in India 2026 report provides:

- Insights on market trends and demand drivers
- Analysis of current and upcoming capacities
- Assessment of market and investment opportunities
- Information on future growth areas and sector outlook
- Detailed profiles of key industry players: existing capacities, key initiatives and future plans

SECTION I: MARKET OVERVIEW, DEMAND DRIVERS, GROWTH PROJECTIONS

1. Market Overview and Key Developments

- ❖ Market Size and Growth
- ❖ Key Demand Drivers
- ❖ Policy and Regulatory Framework
- ❖ Industry Landscape
- ❖ Analysis of Existing Capacity
 - By State
 - By Key Cities
 - By Top Players
- ❖ Key User Industries and Adoption Trends
- ❖ Trends in Vacancy and Absorption
- ❖ Rentals and Recurring Charges
- ❖ Key Emerging Trends
- ❖ Issues and Challenges
- ❖ Market Outlook

2. Market Classification

- ❖ Hyperscale Data Centres
- ❖ Edge Data Centres
- ❖ AI-ready Data Centres
- ❖ Data Centre Parks and Clusters

3. Key DC Hotspots- Analysis of Prominent and Emerging Markets

- ❖ Top DC Markets
 - Mumbai Metropolitan Region
 - Chennai
 - Bengaluru
 - Delhi NCR
 - Hyderabad
 - Pune
 - Kolkata
- ❖ City Profile and Key Benefits | Current Capacity | User Demand | Key players | Upcoming Capacity
- ❖ Upcoming Markets - Tier 2 and 3

4. Investment Trends and Outlook

- ❖ Current Landscape
- ❖ Trends in Investment Flows
- ❖ Risks and Returns
- ❖ Investment Plans and Announcements

5. State Initiatives

- ❖ States with Dedicated Policies
- ❖ State-level Incentives and Recent Developments
 - Andhra Pradesh
 - Haryana

- Karnataka
 - Maharashtra
 - Odisha
 - Tamil Nadu
 - Telangana
 - Uttar Pradesh
 - West Bengal
 - Others
 - ❖ National Informatics Centre
 - ❖ Data Centres by STPI
- 6. Market Outlook and Capacity Additions**
- ❖ Demand Drivers
 - ❖ Projected Capacity Additions
 - Near to Mid Term (till 2032)
 - Mid to Long Term (beyond 2032)
 - By Key Cities
 - ❖ Developer Plans
 - ❖ Future Outlook
- 7. DC Design and Construction**
- ❖ Key Requirements
 - ❖ Cost Considerations
 - ❖ Regulatory and Compliance Framework
 - ❖ Emerging Trends
 - ❖ Sustainable Construction
- 8. Connectivity Infrastructure**
- ❖ Key Requirements
 - ❖ Current Interconnect Network
 - ❖ Submarine Cable Ecosystem
 - ❖ Emerging Trends and Advancements
 - ❖ Network Security Landscape
 - ❖ Key Issues and Challenges
 - ❖ Future Outlook and New Requirements
- 9. Energy Requirements and Emerging Sources**
- ❖ Current Trends in Power Usage
 - ❖ Power Procurement and Sourcing Strategies

- ❖ Operator PUEs
- ❖ Adoption of Renewable Energy
- ❖ New and Emerging Solutions
- ❖ Power-related Policy Developments Impacting DCs
- ❖ State-specific Incentives
- ❖ Focus on Storage Systems and GIS
- ❖ Key Challenges and Future Outlook

10. Sustainable DCs

- ❖ Key Trends and Current Best Practices for Energy Efficiency and Optimisation
- ❖ Cooling Solutions - Adoption Trends and New Advancements
- ❖ Water Usage Management
- ❖ Net Zero Targets

SECTION II: KEY PLAYERS – EXISTING CAPACITIES, KEY INITIATIVES AND FUTURE PLANS

Profiles of Key Players

- ❖ AdaniConneX
- ❖ Anant Raj Cloud
- ❖ CapitaLand Investment Limited
- ❖ Colt Data Centre Services
- ❖ CtrlS
- ❖ Digital Connexion
- ❖ Digital Edge DC
- ❖ Equinix
- ❖ Iron Mountain Data Centers
- ❖ Larsen & Toubro Vyoma
- ❖ Lumina CloudInfra
- ❖ NTT GDC
- ❖ Nxtra by Airtel
- ❖ Princeton Digital Group
- ❖ RackBank
- ❖ Sify Infnit Spaces
- ❖ STT GDC India
- ❖ Techno Data Center
- ❖ Yotta Infrastructure
- ❖ Other Players

Price of the report : Rs 80,000 plus GST
