## Power

<b>Technology trends:</b> Growing digitalisation and design innovations .....6 in the sector
<b>Critical changes:</b> Strong case for process automation .....8 in power plants
<b>OPTCL:</b> Reconfiguring Odisha's power landscape .....10
<b>DHBVN:</b> Strong operational and financial performance .....12
<b>Smooth data flow:</b> Communication technologies for smart meters ....15
<b>Data dive:</b> Observations on remote monitoring.....16
<b>Technology edge:</b> Using robots and drones for efficient solar O&M ...17
<b>Powering up:</b> Technology trends in the EV charging space.....18
<b>Digital scope:</b> AI, ML and IoT applications in network management...20
<b>Discom performance:</b> Update on AT&C losses, and billing .....22 and collection efficiency

## Gas

<b>Views of Suresh Manglani:</b> "The CGD infrastructure will enable .....26 the switch to CNG and PNG"
<b>Digital moves:</b> Technology as an enabler for the CGD business .....28
<b>A growing market:</b> Policy impetus and new opportunities for .....30 natural gas vehicles
<b>Evolving scenario:</b> Digital trends shaping the gas sector.....32
<b>Key statistics:</b> Natural gas status in India .....34

## Water & Waste

<b>Sustainable tech:</b> Advanced solutions for desalination.....36
<b>Addressing water woes:</b> Initiatives being taken by Chennai city .....38
<b>Continuous supply:</b> Water distribution initiatives in Varanasi .....40
<b>Improving wastewater treatment:</b> Technological solutions .....42 and initiatives
<b>Technological support:</b> Smart digital solutions to improve output .....44 in pumping systems
<b>Key statistics:</b> Water quality testing; Funds allocated, drawn and .....46 reported under the Jal Jeevan Mission

## Smart Cities

<b>Smart way forward:</b> Agra, Pimpri Chinchwad scale up digital .....48 applications
<b>Taking action:</b> MoHUA initiates two major components.....49 of the Smart Cities Mission
<b>Making cities smarter:</b> Data-driven solutions improving .....50 urban liveability
<b>Urban intelligence:</b> Smart infrastructure driving the growth .....52 of cities in India
<b>Key statistics:</b> Progress under the Smart Cities Mission .....54
