## Power

<b>Distribution revamp:</b> New scheme focuses on smart metering.....6	
in mission mode	
<b>New paradigms:</b> Distribution technology trends .....8	
<b>Positive impact:</b> Discoms derive efficiency and performance .....10	
gains through smart metering	
<b>Adding value:</b> Benefits of meter data management and analytics ....12	
for utilities	
<b>Unlocking efficiency:</b> Role of AI and ML in grid operations .....14	
<b>Moving to the cloud:</b> Power utilities set to transition to a new .....16	
SCADA architecture	
<b>Smooth operations:</b> Key role of SCADA in ensuring efficient .....18	
power plant performance	
<b>Grid control:</b> SCADA emerges as a key tool for ensuring .....20	
seamless transmission system operations	
<b>Seamless supply:</b> Digital substations become the need .....22	
of the hour	
<b>Smart upkeep:</b> O&M strategies for substations and switchgear.....23	
<b>MPPaKVVCL:</b> Ensuring reliable 24x7 power supply to consumers...24	
<b>Key statistics:</b> Details of ongoing and completed smart .....26	
metering projects	

## Gas

<b>Accelerated adoption:</b> Natural gas sector picks up pace with .....28	
smart automation	
<b>Digital pathways:</b> Embedding analytics in CGD business processes..30	
<b>Smart metering practices:</b> Deployments pick up in the CGD .....32	
segment	

<b>Control systems:</b> Growing role and application of SCADA in .....34	
the gas sector	
<b>Staying alert:</b> Managing cybersecurity risks in the oil and .....36	
gas industry	
<b>Digital earth:</b> GIS offers efficiency gains for operators through .....38	
rich location intelligence	
<b>Key statistics:</b> Natural gas production, consumption and .....40	
terminal data	

## Water & Waste

<b>Growing together:</b> Public-private partnership key to enhancing .....42	
water network management	
<b>Reducing losses:</b> Leak detection systems in water management ....44	
<b>Tracker technologies:</b> Geotagging and GPS solutions to monitor ....46	
waste collection vehicles	
<b>Key statistics:</b> Waste treated and untreated, SWM facilities, and ....48	
funds sanctioned/disbursed for SWM	
<b>Key statistics:</b> Implementation of AMRUT .....49	

## Smart Cities

<b>SCADA control:</b> ULB initiatives for water network management .....50	
<b>APAC experience:</b> Water utilities in the region take measures .....53	
to upgrade their systems
